I have requested these products for the medical needs of my patients. I will not sell, resell, trade, barter, donate, return for credit or seek third-party reimbursement for them. For Ohio licensed healthcare professionals: the Ohio Board of Pharmacy requires Terminal Distributors of Dangerous Drugs to obtain a TDDD license prior to accepting pharmaceutical drug samples or complimentary units, unless subject to the exemptions listed in ORC 4729.541. More information on Ohio's requirement can be found at http://www.pharmacy.ohio.gov/PrescriberTDDD . Therefore, if you are an Ohio licensed healthcare professional who claims an exemption to the terminal distributor of dangerous drug licensing requirement, by checking the box below you attest that you meet one of the
